President or alternate presiding officer checks on Toastmaster. Chief Evaluator is responsible for all functionaries listed below him/her. Toastmaster is responsible for all other functionaries.. Call your responsible program manager if you can't fulfill your role. Program managers notify VP-Ed (Mark) of any changes in the agenda by 8 PM Tuesday.

Speakers and program managers (including alternates) must confirm with VP-Ed one week in advance. Those that don't will not lose their position at the top of the queue, but may be slipped a few weeks in the schedule. Vacated speaking slots may be filled by "hot-seat" waiting list speakers. Become one by notifying the VP-Ed if you want to be available on short notice. The VP-Ed maintains the list.
